PROFESSIONAL SUMMARY

Proactive and results-driven 3rd-year Computer Science & Engineering student at IES University with a strong academic standing (**CGPA: 8.55**) and a First-Division Diploma in CSE. Proficient in modern Full-Stack Web Development, Data Structures, Algorithms, and Object-Oriented Programming. Experienced in fast-paced hackathons, building responsive web applications, and demonstrating technical leadership through active volunteering. Seeking an opportunity to contribute scalable engineering solutions in a dynamic software development team.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science & Engineering — 2023 – 2026 (Expected)
IES University, Bhopal, Madhya Pradesh — Current CGPA: 8.55 / 10.0 (3rd Year)

Diploma in Computer Science & Engineering — Graduated: First Division
Govt. Polytechnic Mandi Adampur, Hisar, Haryana — First Division Honours

Matriculation (Class X) — Graduated: First Division
Chinmaya Vidyalaya South Park, Bistupur, Jamshedpur — First Division Distinction

TECHNICAL SKILLS

Programming Languages:	C, C++, Java, Python, JavaScript (ES6+), SQL, HTML5, CSS3
Web & Frameworks:	React.js, Node.js, Express.js basics, RESTful APIs, Tailwind CSS, Bootstrap
Databases & Storage:	MySQL, PostgreSQL, MongoDB, LocalStorage / IndexedDB
Developer Tools:	Git, GitHub, VS Code, Postman, Linux CLI, Chrome DevTools, Vercel, Netlify
Core CS Concepts:	Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), DBMS, Computer Networks

TECHNICAL PROJECTS

Interactive Developer Portfolio & Showcase System — HTML5 • Modern CSS3 • JavaScript • Responsive Glassmorphism
- Architected a modern, lightning-fast personal developer portfolio featuring a dynamic Bento-grid layout, dark/light theme persistence, interactive filtering, and embedded resume export.
- Engineered smooth DOM interactions, accessible UI components, and mobile-first responsiveness, scoring 98+ on Google Lighthouse across performance and SEO metrics.

Smart Campus Student & Event Portal — React.js • Node.js • Express • MySQL / MongoDB • JWT
- Developed a centralized campus web portal facilitating event registrations, noticeboard distribution, and student club management for university students.
- Implemented secure token-based authentication (JWT) and role-based access control (Admin, Student, Club Lead) with responsive dashboard analytics.

AlgoVisualizer - Interactive Algorithm Simulator — JavaScript • HTML5 Canvas • Data Structures & Algorithms
- Built an interactive learning web utility visualizing sorting algorithms (Merge Sort, Quick Sort, Bubble Sort) and pathfinding routines with step-by-step execution.
- Integrated custom array generation, customizable playback speeds, and visual comparison counters to assist peers in mastering DSA concepts.

HACKATHONS & VOLUNTEERING

Smart India Hackathon (SIH) Participant — College / Regional
Collaborated in a 4-member team to design and pitch an innovative automated software solution for civic/educational workflow under a 36-hour sprint.

Technical Event Volunteer & Coordinator — IES University
Coordinated coding competitions and tech workshops; assisted 80+ participants with IDE setup, problem clarification, and event logistics.

Community & Peer Mentorship Volunteer — Campus Outreach
Conducted peer study groups in foundational C/C++ and web development fundamentals for junior engineering students.

CERTIFICATIONS & AWARDS

- **Full-Stack Web Development Certification** – Modern frontend & backend architectures (HTML, CSS, JS, React).
- **Data Structures & Algorithms in C++ / Java** – Problem-solving, complexity analysis, and algorithmic design.
- **Foundations of Cloud Computing & Databases** – Cloud concepts, SQL querying, and relational database schema design.
- **Certificate of Volunteer Excellence** – Recognized for organizing tech symposia and student support initiatives.
- **Academic Excellence Award** – First Division honours in Diploma in CSE & High School Matriculation.
